

HOW TO MEASURE YOUR RING SIZE

Before you start printing, double-check that the scale of this guide is set to 100%. This guide is designed to be printed on standard A4 paper (210mm x 297mm). To make sure you've printed it correctly, take a credit card and place it on the guide. If the edges of the guide match up with those of the credit card then you know your document has been printed at the correct size.
